Civil Aviation Safety Authority

26/10/12

To Whom it May Concern

Jetstream Aviation Training and Services S.A. is approved by the Hellenic Civil Aviation Authority and complies in all respects with the Joint Aviation Requirements JAR-FCL relating to the establishment of a training organisation and is empowered to operate an approved flight training organisation.

The Australian Civil Aviation Safety Authority (CASA) recognise that although Greece is not currently on our list of recognised National Airworthiness Authorities (NAA), We are able to accept this organisation as they are recognised by JAR-FCL.

Applicants requesting endorsements or ratings to be placed on their Australian licence, that have been provided by this organisation, are required to provide a current copy of the certificate of approval.
