**Subject: Recommendation Letter**

Dear Capt. Diskos,

Present letter is issued to mention that Gulf Helicopters Company (GHC), a major helicopter operator based in Doha, State of Qatar had an agreement with Jetstream Aviation Academy S.A. which is an approved Training Organization / ATO under the regulatory approval of EASA (EL-ATO-110). The scope of the agreement was to provide training services to GHC Pilots having CPL(H) with ATPL theory credit including theoretical and flight training in accordance with EASA and QCAA Part FCL regulations. The support and services provided by Jetstream Aviation Academy was very professional and beneficial. We will be happy to collaborate together again in the future whenever such needs arise.

Your's sincerely,

Mohamed Al Mohannadi  
Chief Executive Officer  
Gulf Helicopters Company
